

## **Bruce Whitfield**

### **Speaker's introduction**

Bruce Whitfield is a multi-award-winning journalist, best-selling author and sought-after speaker.

Throughout his career, he has had unparalleled access to titans of industry; mavericks who are changing the game; and brilliant entrepreneurs who reimagine what is possible. This access has provided him with an exceptional perspective of how we can change the future. Today.

With over 20 years of working in print, broadcast and digital media, he brings a unique brand of realistic optimism to the murky intersection where business, politics and society collide.

Welcome, Bruce and thanks for joining us today...
